ZONING COMMISSION ORDER NO. 661

Cases No. 90-3

(Map Amendment @ Mich. Ave. & Irving St., N.E.)

April 16, 1990

At its regular monthly meeting on April 16, 1990, the Zoning Commission for the District of Columbia authorized the scheduling of a public hearing for the following:

Case No. 90-3

ANC-4D

This is an application from Raymond A. Skinner on behalf of the District of Columbia Office of Business and Economic Development (OBED) requesting a change of zoning from unzoned property to C-2-B for Parcel 121/31. The applicant intends to develop a conference/training center.

The subject site is located along Michigan Avenue and Irving Street, N.W., Washington, D.C. It is across from the National Shrine of the Immaculate Conception, and comprises 2,387.088 square feet of land area.

At that same meeting, the Zoning Commission determined that it would also consider R-5-A as a zoning alternative. The applicant and others are requested to address the appropriateness of the R-5-A zoning alternative.

It is therefore hereby ordered that Case No. 90-3 be scheduled for public hearing. A formal "Notice of Public Hearing" is forthcoming.
